# MUNVERSE

# WHAT IS MUNverse?

MUNverse is a premier digital platform for international relations. We bridge traditional diplomacy with the digital age, enabling students to step into the roles of global leaders, diplomats, and policymakers.

## OUR VISION FOR GLOBAL DIALOGUE

Aligned with the core values of the United Nations, MUNverse fosters open, rigorous, and meaningful debate. We address pressing global challenges—from climate resilience and cybersecurity to economic equity and international peace.

- **The future of multilateralism in a digital world**
- **The role of youth in global leadership**
- **Balancing sovereignty with global cooperation**

## THE MUNVERSE ADVANTAGE

MUNverse honors the legacy of Model United Nations while being built for the future. We combine academic excellence with modern technology to create a professional and inclusive environment.

**Join MUNverse.in — Lead the conversations that shape tomorrow.**

Founding MUNverse has been a rewarding journey, allowing us to reimagine Model United Nations as more accessible, dynamic, and impactful. It taught us leadership, adaptability, and the value of diverse global perspectives. Building this platform—and a strong team—has been both challenging and inspiring.

# Why MUNverse Online?

MUNverse Online was created to ensure that high-quality Model United Nations experiences are accessible to students regardless of geography or financial constraints. By removing barriers such as travel, accommodation, and logistical costs, the online format allows students from diverse regions and backgrounds to participate in structured diplomatic simulations while maintaining high academic standards.

## ----- Prize Pool -----

### **Super Delegate - ₹5000**

The Highest Honor awarded to the single overall top diplomat of the event.

### **Best Delegate - ₹2000**

Awarded to the champion of each of the 7 high-profile committees.

By combining global accessibility with academic rigor and individual development, MUNverse Online offers more than a virtual alternative to traditional conferences. It provides a meaningful, structured, and engaging Model United Nations experience that prepares students to think critically, collaborate effectively, and engage responsibly with global issues.

- Global accessibility without compromising quality
  - Structured committees with academic rigor
  - Personalized feedback for every delegate

# What will you learn?

## Build Connections & Expand Your Network

---

MUNverse is more than just debate—it's a space to connect globally. Delegates collaborate, share ideas, and build key skills like communication and teamwork.

By engaging with diverse perspectives, participants gain confidence and become part of a global community of young leaders.

## Experience Competitive Excellence

---

MUNverse offers a dynamic and competitive environment where delegates challenge themselves against talented participants worldwide. Through debates, negotiations, and strategy, they strive to stand out and earn recognition.

Competing for awards helps sharpen critical thinking, quick responses, and impactful speaking.

## Expand your understanding of the United Nations

---

Inspired by the ideals of global cooperation, MUNverse fosters meaningful dialogue on key global issues. Delegates think critically, challenge perspectives, and explore innovative solutions.

What role do international organisations play today? How can nations balance self-interest with global responsibility? At MUNverse, these questions shape every debate—building future leaders.

## Enhance Public Speaking & Critical Thinking

---

Designed to simulate real-world diplomacy, MUNverse helps participants build negotiation skills, think critically, and engage with global perspectives.

Delegates discuss pressing issues like security, AI, climate change, and other modern challenges.

Through interactive online committees, MUNverse inspires the next generation of leaders and changemakers.

# Application Process

Due to high levels of interest in MUNverse, an application and selection process is necessary. Students must apply, as per the requirements outlined on our website, to be eligible to participate in upcoming MUNverse conferences. Please read all the information carefully before registering at [munverse.in](http://munverse.in)

	Applications Open	Applications Close
Early Bird Registration Deadline	1 March 2026	15 March 2026
Registration Deadline	16 March 2026	11 May 2026
Late Registration Deadline		22 May 2026

## Eligibility Criteria:

To be eligible for MUNverse, applicants must be at least 12 years of age and currently studying in Class 6 or above (or an equivalent level of education). Recent school graduates who have not yet enrolled in a university are also eligible to apply. Participants who are currently enrolled in a university are not eligible.

We understand that academic systems vary across institutions. You may still apply as long as you are not enrolled in a university at the time of the conference.

MUNverse welcomes applications from both independent delegates and those representing their schools or institutions. Participants are expected to have a basic understanding of English, as all committee sessions will be conducted in English. Applicants must demonstrate a genuine interest in global affairs, debate, and diplomacy.

## Application Decisions:

Applications to MUNverse are reviewed competitively, and we strongly encourage early submissions to improve the likelihood of selection. Decisions will be announced on a rolling basis, so we kindly ask applicants to remain patient while their applications are carefully assessed.

Please note that due to the selective nature of the process, acceptance is not guaranteed. Participants are advised not to make any arrangements until they have received an official confirmation of acceptance and their committee allocation.

## Individual Delegates:

Students who are not applying through a school delegation are welcome to apply independently. Individual applicants are welcome to participate independently or with the support of a teacher, parent, or mentor.
